for the National Fire Academy State Weekend Program

Congratulations on your willingness to attend a State Weekend program class at the National Fire Academy (NFA). Below is some information about the National Emergency Training Center (NETC) that may be useful to you.

This package contains important campus information, including points of contact and links to additional information. Whether this is your first time or you previously attended courses, we encourage you to review the information as our policies and procedures update periodically.

The Federal Emergency Management Agency (FEMA) Educational and Training Participant Standards of Conduct (FEMA Policy 123-0-2) and FEMA Directive: Personnel Standards of Conduct (Directive 123-0-2-1) can be viewed at https://www.usfa.fema.gov/training/nfa/admissions/student_policies.html. Please review these important documents.

If you have any questions regarding your visit to NETC, please contact our Admissions Office and the staff will be glad to assist you. Our Admissions Office may be reached at 301-447-1035 or at netcadmissions@fema.dhs.gov, Monday to Friday between 8 a.m. and 4 p.m. ET.

We commend you for your commitment to enhancing your education and wish you great success in your professional endeavors.

NETC regulations (44 C.F.R. Part 15 and Policy 119-22, VII.A.8 and VII.A.10) prohibit personal possession of **alcohol or firearms** on campus. If you have alcohol and/or firearms in your possession, **you must declare them upon entering campus at the Main Gate**. No alcohol can be brought onto campus. Firearms cannot be carried on campus. NETC Security will conduct a search of your vehicle and/or luggage. If Officers discover undeclared alcohol or firearms, you will be denied access to campus, you will not be admitted to your class, and your sponsoring organization will be notified.

For your own protection, and to expedite your processing into the NETC, **do not bring weapons of any kind to campus.** Weapons include knives with blades longer than 3 inches, machetes, bow and arrows, ammunition, rifles, shotguns, pistols, etc. If you arrive at NETC with weapons of any kind, your entry to campus may be denied.

Checkout time

Checkout time is 8 a.m. Please return your key card to the front desk. Your dorm room key will be deactivated by 8 a.m. on the day of departure.

Class, dormitory and vehicle registration will take place in Building C Lobby.

Since you may have to walk some distance to your room, we recommend you bring luggage with wheels.

Lodging

Dormitory buildings

Dormitory buildings on the NETC campus are A, C, D, F and L. A campus map is attached so you can view the proximity of dormitory buildings to the classroom buildings, dining facility, NETC Library, Student Center, etc. All buildings are within walking distance. There is no shuttle service between the buildings.

If you stay on campus, you must purchase a meal ticket. **If you do not purchase a meal ticket, you will be asked to vacate your room. You will be responsible for your off-campus lodging costs.**

Lodging reservation

Once you are accepted into a course, a room on the NETC campus will be reserved for you. If lodging on the NETC campus is not needed, you must notify the Housing Office in writing at fema-netc-housing@fema.dhs.gov.

- ❖ Room assignments are random. You may or may not be lodged in the same building as your classmates.
- ❖ No special requests will be granted.
- ❖ Disabilities/special accommodations: If an individual marks “yes” for disabilities/special accommodations (“Do you have any disabilities (including special allergies or medical disabilities) which would require special assistance during your attendance in training?”), the student will be contacted by the NETC Admissions Specialist. Depending on the accommodation requested, the applicant may have to provide written documentation, on a physician’s letterhead, stating the accommodation. The accommodation requested will be reviewed, and if it includes a classroom accommodation, the course manager will be notified. NETC will try to accommodate special requests; however, there are some limitations.

Each time an applicant applies for a course at NETC, he or she should mark “yes” in the disabilities/special accommodations question if the special accommodation is needed. If the accommodation(s) is no longer needed, the applicant should mark “no.” If this is the case, the applicant would be contacted by an NETC admissions staff member to ensure that the previous accommodation is no longer needed.

Most buildings on the NETC campus have elevators and access ramps for wheelchair/powerchair access. NETC does have a limited number of handicap-accessible dormitory rooms equipped with handrails in the shower. Please be specific if you require a roll-in shower in your dormitory room.

NETC has the following items available for individuals who may need assistance. If you require either of the following, please be sure to annotate that on your application or advise the admissions staff member when you are contacted:

- ◆ Americans with Disabilities Act kits for the hearing impaired. (Kits include alarm clock, door knock signaling device, telephone signaling device, text telephone, telephone amplifier, and bed shaker.)
- ◆ Job Access with Speech (JAWS) for Windows software for the vision impaired.

As listed in the “amenities” section of this NETC Welcome Package, a refrigerator and microwave are available in each dormitory room.

If your special accommodation is strictly food-/dietary-related, you should contact the NETC Food Service Contractor at 301-447-1551.

- ◆ Foreign students: You are responsible for your own travel and per diem costs and lodging (currently \$40 per night), payable upon arrival to NETC. The U.S. Fire Administration (USFA) accepts credit card payments (Visa, MasterCard, Discover or American Express) for lodging.

Staying off campus

If you choose to stay off campus, it will be at your own expense. You are required to purchase a break ticket from the food service contractor for the length of your class.

- If you must return home due to an emergency, check out with the Housing Office in Building C before you depart the campus!

Dress code for students

It is each student's responsibility to use good judgment in selecting attire that projects a professional image and is appropriate for both climate differences and classroom activities. The NFA Superintendent has the authority to make a determination that a student's attire is inappropriate. Students wearing attire that is determined to be inappropriate will be required to change into more appropriate clothing before being allowed to continue class.

In routine classroom settings, appropriate business casual attire includes:

- ✦ Slacks or khakis (below the calf or longer).
- ✦ Suits, coats or blazers.
- ✦ Skirts/Dresses — must be no shorter than 3 inches above the knee.
- ✦ Shirts with collars; polo shirts.
- ✦ Jeans (newer, dress or fashion type without rips or tears).
- ✦ Capri pants.
- ✦ Turtlenecks, sweaters.
- ✦ Blouses — no backless or low-cut (sleeveless blouses must have 3-4 inches of material covering the shoulder).
- ✦ Dresses — no backless or low-cut (sleeveless dresses must have 3-4 inches of material covering the shoulder).
- ✦ Dress or casual shoes, open-toed shoes.
- ✦ Denim skirts, dresses or shirts.

Inappropriate attire for the classroom:

- ✦ Shorts.
- ✦ Tank tops.
- ✦ Overalls.
- ✦ T-shirts with slogans and/or without sleeves.
- ✦ Flip-flops, thongs.

Shorts, tank tops, ball caps, etc., are not permitted in the classrooms or the auditorium. Bathing suits/trunks are not permitted outside the pool area. Miniskirts and bare midriffs are not acceptable.

Admissions policies

Attendance

- ✦ **You are required to attend all sessions of the course.** If you do not, you may not receive a certificate.
- ✦ Any student needing to depart campus early and miss any portion of the course must make the request in writing to the Course Manager or Training Specialist. The Training Specialist, in collaboration with the Superintendent, may waive the attendance requirement in order to accommodate the student with extraordinary circumstances as long as the student completes all course requirements.

Cancellation or no-shows

NFA's mission for delivery of courses is impaired significantly by cancellations and no-shows. It is very difficult and costly to recruit students at the last minute. Currently there is a two-year ban on student attendance for students who are no-shows or cancel within 30 days of the course start date without a valid reason.

Memorials/Monuments on campus

The National Civil Defense/Emergency Management Monument

On Nov. 13, 1999, President Clinton signed a bill (HR 348/PL 106-103) that granted authority to the National Civil Defense Monument Commission to construct a monument at the NETC in Emmitsburg, Maryland.

The purpose of the monument is to honor the thousands of civil defense and emergency management professionals and volunteers who have worked hard and faithfully to protect the public from both man-made and natural hazards. This monument particularly recognizes the numerous military and civilian volunteers and professionals who have gone beyond the normal call of duty to save lives and alleviate suffering in times of crises. The monument serves as an enduring reminder of the heartfelt thanks that a multitude of people feel whenever they remember those who have selflessly served them or their loved ones in times of great need.

The centerpiece of the monument is a 15-ton block of polished white Vermont granite, shaped as a three-sided pyramid, representative of the federal, state and local governments and their efforts in working together to accomplish a joint mission. The triangular base is 5 feet on each side, rising to 15 feet in height. The pinnacle of the monument is capped with a large, bronze American eagle, sculpted by the world- renowned sculptor, Lorenzo Ghiglieri. The base is encircled by a stone and concrete plaza with appropriately inscribed bronze state plaques embedded in concrete, surrounded by a circle of state flags. A brick wall rises approximately 3 feet in height on the back or south side of the plaza. Near the edge of the plaza are two bronze plaques bearing the names of advocates and members of the Monument Commission.

The monument was dedicated on April 6, 2002. The Monument Commission plans to hold an annual memorial service to pay tribute to those who have given to their fellow citizens by mitigating the potential losses from emergency situations, for those who have responded to emergencies, and to the professionals and our elected officials who strive to improve the methods of handling emergencies.

National Fallen Firefighters Memorial/National Fallen Firefighters Foundation

Since 1981, the National Fallen Firefighters Memorial, located on the campus of the NFA, has stood as the national symbol of honor to America's firefighters. In 1990, the U.S. Congress designated the monument as the "official national memorial to volunteer and career firefighters who die in the line of duty."

The National Fallen Firefighters Foundation (NFFF) was created by Congress to lead a nationwide effort to honor America's fallen firefighters. Since 1992, the nonprofit NFFF has developed and expanded programs that fulfill that mandate. The mission is to honor and remember America's fallen fire heroes and to provide resources to assist their survivors in rebuilding their lives.

Each October, the NFFF sponsors the official national tribute to all firefighters who died in the line of duty during the previous year. Thousands attend the weekend activities held at the NFA. The weekend features special programs for survivors and co-workers along with moving public ceremonies.

To Lift A Nation (The 9/11 National Memorial)

In 2007, the "To Lift a Nation" statue created by sculptor Stan Watts was added to the National Memorial Park. This 40-foot tall bronze monument was created to honor the heroes of Sept. 11, 2001. The three-times life-size statue recreates the now-famous photo taken by Thomas E. Franklin, a photographer for the Bergen Record, who captured the image of three firefighters raising the American flag at Ground Zero. "The monument and its flag are symbols of hope and courage for a nation deeply impacted by this tragedy," Watts said. "It honors a moment in the history of our country and reminds us of the bravery and sacrifice made by our firefighters and by thousands of citizens, from all walks of life, who selflessly serve humankind in times of need." The monument stands 40 feet high, 6 feet deep, and 8 feet wide. Each of the three firefighter statues weighs more than 5,000 pounds and was formed from approximately 160 bronze sections weighing between 60 to 80 pounds each.

NFFF business hours are from 8 a.m. to 5 p.m., Monday through Friday. Please take time to visit the recently renovated Memorial Chapel. Learn about the programs regarding the NFFF and the National Fallen Firefighters Memorial Weekend by tuning to Channel 23 on the campus television system.

National Emergency Training Center Recreation Association

The National Emergency Training Center (NETC) Recreation Association is a 501c3 organization made up of a board of officers and representatives comprised of the federal staff from the NETC campus.

The purpose of the Recreation Association is “to maintain a favorable learning and working environment within FEMA and the NETC essential to the constructive motivation of students, employees and campus contractors. Its purpose is also to conduct appropriate welfare activities, which are defined to include athletics and recreation, amusement and entertainment, and any other activities that may contribute to the comfort and pleasure, mental and physical improvement, and moral welfare of the personnel concerned.”

Any government or on-campus contract employee whose permanent duty station is NETC shall be eligible for membership in the association. The annual fee for membership is \$2.

Any student at NETC, contract instructor, member of a special group, employee of the association or FEMA employee whose duty station is other than NETC is also eligible for membership in the association. The fee for membership is \$2, and membership expires at the end of the student’s course, the end of the association employee’s employment or the last day of the special group’s activity.

You must purchase a Recreation Association membership card to utilize any of the Recreation Association facilities/equipment.

Services provided by the Recreation Association:

- Building B houses the Command Post Pub and the Student Center. The Command Post Pub is a place to relax after a day at work or classes with fellow students, staff, instructors and employees. A variety of alcoholic beverages is available for purchase at a nominal price. We also offer pizza, hot dogs, snacks and a social atmosphere. The larger room in Building B, the Student Center, is equipped with billiard tables, arcade/video games, dart boards, televisions, etc.
- Tom's Creek Cabin is a historic building on the NETC campus. The cabin is not open for use unless you make a reservation. If you would like to reserve the cabin for a get-together/picnic/etc., you should work through your training specialist/course manager, who will act on your behalf.
- Building H is the location of the fitness center, pool and gymnasium and is open daily from 5:30 a.m.-11p.m. In the basement of Building H, there is a variety of fitness equipment including treadmills, stair climbers, exercise bikes, etc. On the first floor, there is an indoor pool (swim at your own risk). On this same floor, there is a gymnasium and an aboveground indoor walking track.
- Building C, Housing Desk, has equipment that was purchased by the Recreation Association and is available for members to borrow. Such items include bicycles, safety vests (for running or bicycling), golf clubs, fishing rods, and other indoor and outdoor games. Equipment is provided on a first-come, first-served basis. If you borrow the equipment, it is your responsibility to return the items.
